How people sign in and how strong that is: methods by strength, admins without phishing-resistant MFA, the methods policy, and password age and expiry.

Filtered view. Password age: 0 of 112 rows, Flag is Medium, Password last changed: in the last 30 days. The headline figures cover every row.

Password age 0

When each enabled member's password was last set. An old password matters most without MFA; an account that has never signed in may still have the password it was created with. Problems first, then oldest first.
