Every administrative unit with its members and the admins scoped to it, restricted units, and units with nobody in them or nobody administering them.

Filtered view. Every unit: 3 of 9 rows, Unit is Sales, 1 column hidden. The headline figures cover every row.

Every unit 3

Every administrative unit. A unit with nobody in it, or with no admin scoped to it, usually isn't doing anything; a dynamic unit whose rule is paused is no longer kept up to date. A restricted management unit also keeps tenant-wide admins (other than Global Administrators) from changing its members.
