Every administrative unit with its members and the admins scoped to it, restricted units, and units with nobody in them or nobody administering them.

Filtered view. Scoped admins: 6 of 6 rows, 1 column hidden. The headline figures cover every row.

Scoped admins 6 3 to review

Every admin role scoped to a unit rather than the whole tenant. An account whose sign-in is blocked has usually left: remove the role. A guest or an app with a scoped role deserves a look.
