Every account with its department, job title, manager, licences and last sign-in, its managers and departments, and accounts reporting to a blocked manager.

Filtered view. Every account: 115 of 115 rows, 1 column hidden. The headline figures cover every row.

Every account 115 3 to review

Every member and guest account. Accounts that report to someone whose sign-in is blocked are flagged: the manager has usually left, so approvals and HR records go nowhere.
