Users, teams and Microsoft 365 groups in the recycle bin, with the licences they held and the days left to restore each before Microsoft deletes it for good after 30 days.

Filtered view. Deleted users: 6 of 9 rows, Ends within is 7 days, 1 column hidden. The headline figures cover every row.

Deleted users 6 3 to review

Accounts deleted in the last 30 days that can still be restored with their mailbox, OneDrive, group memberships and licences. Licensed members with 7 days or less left are flagged.

Flag	Client	Sign-in name	Type	Department	Licences it held	Deleted on	Deleted for good on	Days left	Ends within
