Which mailboxes are on litigation hold or have an archive, leavers' mailboxes that aren't held, and large mailboxes that need an archive.

Leavers without a hold 3 3 to review

1 mailbox of people who seem to have left is not on litigation hold. A hold keeps every message, including deleted ones, after the leaver's licence is removed or the mailbox is converted; without one, mail can be deleted and is gone for good once the licence goes. If the client needs to keep a leaver's mail, put the mailbox on hold (Exchange admin centre, Recipients > Mailboxes > the mailbox > Others > Manage litigation hold) before removing the licence.
