Who owns, administers and can reach each SharePoint site: ownerless sites, guests, and sites open to everyone in the organisation.

Filtered view. Access by site: 88 of 88 rows, 1 column hidden. The headline figures cover every row.

Access by site 88

What each site grants and to whom: the Microsoft 365 group's owners and members, what the default document library gives to site groups, groups and people, and guests given access on the site.
