Admin roles, Conditional Access, app credentials, consents, domains and account changes from the directory audit log, and who made them.

**Filtered view.** Changes to review: 10 of 10 rows, 1 column hidden. All admin changes: 1 of 22 rows, Area is Partners. The headline figures cover every row.

**Changes to review** 10 10 to review

Changes in the 120 days since 14 Jun 2026, when Office Sentry started keeping this tenant's audit log that are worth confirming with the client: domain sign-in (federation) changes, new app secrets and certificates, admin roles granted, and Conditional Access policies deleted or switched off. Failed attempts are left out.

| Flag     | Change                                                   | By                                     | Target                                 | Detail                 | Why it matters                                                                           |
|----------|----------------------------------------------------------|----------------------------------------|----------------------------------------|------------------------|------------------------------------------------------------------------------------------|
| ● High   | Set domain authentication                                | mallory.price@northwindtraders.example | northwindtraders.example               | –                      | Changes how users of a domain sign in; a rogue federation lets someone sign in as anyone |
| ● Medium | Add service principal credentials                        | Contoso Automation                     | Mail Sync Pro                          | Credential added       | New secret or certificate: whoever holds it can sign in as the app                       |
| ● Medium | Update application – Certificates and secrets management | admin@northwindtraders.example         | Payroll Sync                           | Added certificate      | New secret or certificate: whoever holds it can sign in as the app                       |
| ● Medium | Add member to role                                       | admin@northwindtraders.example         | robert.hughes@northwindtraders.example | Global Administrator   | Admin role granted                                                                       |
| ● Medium | Add eligible member to role in PIM completed (permanent) | admin@northwindtraders.example         | ann.patel@northwindtraders.example     | Exchange Administrator | Admin role granted                                                                       |
| ● Medium | Update conditional access policy                         | admin@northwindtraders.example         | Require MFA for all users              | On → Off               | Conditional Access policy no longer enforced                                             |

| Flag     | Change                                                   | By                             | Target                                 | Detail               | Why it matters                                                     |
|----------|----------------------------------------------------------|--------------------------------|----------------------------------------|----------------------|--------------------------------------------------------------------|
| ● Medium | Delete conditional access policy                         | admin@northwindtraders.example | Block risky countries                  | –                    | Conditional Access policy deleted                                  |
| ● Medium | Update application – Certificates and secrets management | admin@northwindtraders.example | Payroll Sync                           | Added certificate    | New secret or certificate: whoever holds it can sign in as the app |
| ● Medium | Update conditional access policy                         | admin@northwindtraders.example | Require MFA for all users              | On → Off             | Conditional Access policy no longer enforced                       |
| ● Medium | Add member to role                                       | admin@northwindtraders.example | robert.hughes@northwindtraders.example | Global Administrator | Admin role granted                                                 |

All admin changes 1

Every admin role, Conditional Access, policy, app, domain and account change in the 120 days since 14 Jun 2026, when Office Sentry started keeping this tenant's audit log, newest first.

| When (UTC)        | Area     | Change                 | By             | Target              | Detail | Result    | IP address |
