Not checked. PIM (admins activating a role only when they need it) needs Entra ID P2, which this tenant doesn't have, so every role shown is permanent.

Privileged role holders 1

Everyone who holds a role that can change security settings, users or data. Problems first.

Break-glass accounts 1 1 to review

Emergency Global Administrator accounts for when normal sign-in breaks. Microsoft recommends two, cloud-only, excluded from Conditional Access, signing in with a FIDO2 key or passkey kept somewhere safe.
